

This meeting starts at 11.00 hours on Sunday afternoon May 13th 2007 at Hotel New York in Rotterdam.

Marcel's home was only a few hundred meters away, and this Hotel was very much loved by him. Together with his family we will welcome you with one of his favourite dishes, Apple pie with coffee.

On October 30th of 2006 our good and dear beloved friend Marcel de Lange passed away.

Marcel was only 42 years old and he was known, not only in Holland but also in many other countries, as a great passionate of Lamborghini.

Some friends were able to honour him at his funeral but many could not be there. Therefore we are organising a memorial meeting in 2007 to honour him and in the spirit of Marcel we hope that as many as possible European Lamborghinis will attend this meeting and we know for sure Marcel would have loved this idea as well.

From here we will start our route to the cemetery and continue our trip via a nice and easy ride through the countryside to Belgium, Spa-Francorchamps. Near the Dutch border there will be a second coffee break. A detailed road map will be provided at your arrival in Rotterdam.

Arriving at a beautiful Hotel near the circuit, where we have some time to relax, talking about good old times and share beautiful memories, have some drinks, meet new friends and look at all the participating cars. At 20.00 hours diner will be served. Of course all cars will be safe and guarded during the night.

Next morning, May 14th, after breakfast we will spent some time on the circuit Spa-Francorchamps, which is currently being renovated for the Formula 1 race in September 2007.

Marcel had many Lamborghini connections outside Holland. We are proud to welcome owners from Germany, Belgium, Switzerland and England.

Please note that the Lamborghini Classic Club Germany has a meeting from May 17th to the 20th in Ingolstadt (Germany), perhaps some owners are able to combine these two events.

We would love the idea to look back at the year 2006 together with old and new friends and we sincerely hope you will join us in this special international memorial meeting. Marcel was a true and sincere Lamborghini lover with a huge dedication, like many of you. The Dutch Lamborghini specialist Superleggera Classic Car Service will provide technical assistance during our meeting.

We hope to welcome you in Rotterdam,
